Subject: Notice of the First Apportionment for the English Language Acquisition  
Program, Fiscal Year 2002-03

This apportionment, in the amount of \$51,053,800, has been made from funds provided by Item 6110-125-0001 of the 2002 Budget Act (Chapter 379, Statutes of 2002). This apportionment provides funding to each local educational agency (LEA) for each pupil enrolled in any of grades four through eight pursuant to Chapter 4 (commencing with Section 400) of Part 1 of the *Education Code*. These funds are to be used to conduct academic assessments, provide instructional programs, provide supplemental instructional support, and coordinate services and funding sources available for English language learners.

Direct funded charter schools must apply individually for this program. We identify the amount for direct funded charter schools separate from the district or county amount. All other charter schools must apply through their authorizing agency, and funding associated with the charter school is included in the district amount.

Warrants will be mailed to each county treasurer approximately four weeks from the date of this Notice. For standardized account code structure (SACS) coding, use Resource Code 6286, English Language Learners (Student Assistance), and Revenue Object Code 8590, All Other State Revenue. For non-SACS coding, use Income Account Code 8590, All Other State Revenue. County superintendents of schools are requested to inform LEAs immediately regarding this apportionment.
